Author Form

○ Original Article ○ Review Article ○ Case Report ○ Letter to the editor

I. Copyright Assignment

The undersigned corresponding author hereby transfers, assigns, or otherwise conveys all copyright ownership of the manuscript titled

_____

To *the Journal of Dental Rehabilitaion and Applied Science*. The author warrants that this article is original, is not under consideration by another journal, and has not been previously published.

The authors attest that (**Authorship Responsibility**):

1) The manuscript has not been previously published and is not currently under consideration for publication elsewhere, nor will the research reported be submitted for publication elsewhere until a final decision has been made as to this acceptability by the Journal of Dental Rehabilitation and Applied Science.
2) The manuscript represents truthful and original work without fabrication, fraud, or plagiarism.
3) All authors have made an important scientific contribution to the study and are thoroughly familiar with the primary data.
4) All authors have read the complete manuscript, take responsibility for the content and completeness of the manuscript, and understand that they share responsibility if the paper, or part of the paper, were found to be faulty of fraudulent.
5) Permission has been obtained from the copyright holder to reproduce in the work (in all media, including print and electronic form) material not owned by the authors, and the source has been acknowledged.
6) This manuscript contains no violation of any existing copyright or other third-party right or any material of an obscene, indecent, libelous, or otherwise unlawful nature, and to the best of the authors' knowledge, this work does not infringe the rights of others.
7) Any formula or dosage given is accurate and will not, if properly followed, injure any person.
8) All authors will indentify and keep indentified the editors/The Korean Academy of Stomatognathic Function and Occlusion against all claims and expenses (including legal costs and expenses) arising from any breach of this warranty and the other warranties on their behalf in this agreement.

Please check the appropriate circle below (**Conflict of Interest Disclosure**):

○ I have no relevant financial interest in this manuscript.

○ I certify that all my affiliations with or financial involvement (e.g., employment, consultancies, honoraria, stock ownership or options, expert testimony, grants or patents receive or pending, royalties) with any organization or entity with a financial interest in or financial conflict with the subject matter or materials discussed in the manuscript are disclosed in the manuscript or disclosed here

II. Ethics Concerning Human subjects

Were human subjects used? Yes _____ No _____

○ The informed consent of all human subjects who participated in the experimental investigation reported or described in this manuscript was obtained after the nature of the procedure and possible discomforts and risks had been fully explained.
